Dear Companions and Everyone:

It is July already! July can be cool and wet or hot and dry. We are very dry and did we get the heat! I would like to have the “Happy Medium” between those two options. The air conditioning in my room has been on day and night. It makes staying in so nice and comfortable. I feel bad about those workers who are exposed to the heat. Remember to stay hydrated this Fourth of July weekend.

We received an article from the DeMolay of Michigan this month! A nice article with pictures. The line officers did a wonderful job by getting heir articles in by the deadline. I did not feel the squeeze of working late nights putting the Triple Tau together. I did have a couple that came in late but the information and news from them was so worth the wait. Thank you all so much for your help and assistance. I could not do this nice a job without you die-hard helpers.

August is just around the corner and the line officers are getting prepared for the next step through the Royal Arch Grand Line. I will miss MEC Don, our Grand High Priest and his Lady but he will be the next Junior Past Grand in a long list of Past Grand High Priests. What a great year they have had, and they both did well to stay safe and healthy. Our new incoming Grand High Priest, Brent Helm and Lady Nancy will have big shoes to fill but they are up to the task. Have a safe and happy Fourth of July. Enjoy the great outdoors and remember the bug spray and sunscreen!

Fraternally,  
Jane Todd, Editor of the Triple Tau  
P.S.: Yes, I did catch a bass at the pond.  
Thanks to Bro. Randy, I didn’t take a swim with this wiley creature!

Greetings Companions:

In May I had the sincere honor representing the Royal Arch Masons of Michigan at the Grand Lodge session. Also attending and working the information table were Brent Helm, Tom Black, Steve Eliopoulos, and Harold Staley.

The joint York Rite Picnic and Golf Outing is only a couple of weeks away. We need your support. The picnic is on July 16th and the Joint York Rite Golf Outing is on July 17th. Orders for flags and tee box signs for the Golf Outing to advertise your Lodge, Chapter, Council, Commandery, yourself, or dedicate one in memory of one who is no longer with us in person but lives on in our memories. The signs are only \$ 25.00 each and the proceeds will be equally divided between Council, Commandery, and Chapter for their Charity giving.

It is not too late to declare your candidacy for the open Chair in the Grand Chapter Line. Your Protocol Committee will assist you with the information on the duties and obligations that are expected of the Grand Chapter Line Officer.

On a personal note, we spent 7 days in Houston Texas, to celebrate a Grand Daughter 18th Birthday. and her graduation from High School and her acceptance to Minnesota State University.

Congratulations to Most Worshipful Brother Larry Judson, the newest Grand Master of the Grand Lodge of Michigan. I know that we will have a strong working relationship.

In Brotherly Love and Friendship,  
Don Mayville, MEGHP

## *Scribbles of the Secretary*

June is the month in which Summer begins on the calendar, Labor Day is the unofficial beginning of the Fall season. Many of our lodges go dark during these two months of summer vacations. This does not mean we are not doing any work, in the contrary, we do a tremendous amount of work in our down time. Every weekend there are activities to take part in. There are a whole host of parades that go on throughout the state to celebrate almost everything you can think of. For a fraternity that the public thinks is a secret society, we try our best to make us public. We take pride in what we do and accomplish but, in most cases, it is from within ourselves.

This is also the time of the year that we promote our leadership of all the many bodies within the scope of Masonry. We are all Master Masons, and we should never lose sight of that fact. We also wish to increase our knowledge of the history of the craft, by exploring the other bodies that encompass the whole of the fraternity. The Grand Lodge hosted their session in May to install the new Grand Master, after which almost all the subordinate body's leaders will be installed into their unique bodies. (I am not going to name all the bodies, as I would probably miss one or two and irate someone). The most rewarding thing of being a past leader of one of the bodies, you never quit learning, and you never stop teaching. We are here to help instruct the new members of the craft to become knowledgeable and take it to another level.

The importance of placing our degree days on the calendars of our various bodies is to inform us that if we have candidates, we may take them to where your degrees are located. We can all use more help and there is always a place for anyone who wishes to take part. Should you have enough time we will also place it in the Triple Tau. Communication is the key to information. Lady Sherry and I hope to see you around the state this Summer, but if we miss you, we hope that you have a great and enjoyable summer, and we will see you after Labor Day.

Knowledge is Key!!!

Donald

Greetings Companions:

Recently when I was visiting my brother in Illinois, we did a road trip to visit the cemetery where my parents are buried. The cemetery was, I remember it up on top of a steep hill with a cool north wind blowing across. We left some flowers on the grave site and then drove through the small town where my grandfather had lived years ago.

Many of the little stores which I remembered from years gone by were no longer there. They have been replaced by new stores and restaurants.

Time does bring about many changes over the years. That is not necessarily a bad thing. It does however require that we adapt and move forward.

Sincerely & Fraternally,  
Brent Helm, Grand King

Greetings Companions:

Earlier in June, Harold Staley and I attended the Nevada York Rite Grand Session in Las Vegas, NV. Shortly after that was the Grand Master's reception which was well attended by both the Grand Chapter as well as the Grand Council. The Rainbow Grand Assembly banquet was also a LOT of fun, and the outdoor Master Mason degree in Port Huron area gave me an opportunity to present Heritage Awards to two separate father and son Masons. But...June has come and gone, and July is here with all the fun things going on.

Since the Grand Rapids area is becoming such a powerhouse in the York Rite, we have our own West Michigan York Rite picnic on the 9<sup>th</sup> of July, in addition to the Michigan York Rite picnic and golf outing in Gladwin a week later. On the 27<sup>th</sup> of July, Don Mayville and I will be heading to the Illinois Grand Session in Springfield, IL.

The Royal Arch Outdoor degree is still the 1<sup>st</sup> Saturday after Labor Day. This year it is September 9<sup>th</sup>. Make sure you complete your registration form to ensure we have enough food; also, if you want an official "Outdoor 2023" hat and polo. This year the polo shirt will be white instead of red like it has been the last 2 years.

Until I see you again, keep seeking further light in Masonry.

Greetings Companions:

I hope the summer is going well for everyone, it seems to be flying by and July is almost here. July is the month we have our York Rite picnic and golf outing. The picnic is on Saturday the 15th and the golf outing on Sunday the 16th at Gladwin Heights Golf Course. These two events are open to all York Rite Masons and their families.

Looking ahead to August, the Grand York Rite session will be held in Bay City at the Double Tree Hotel. Grand Chapter will meet on Thursday the 17th, opening will be at 8:30 am. Please plan to attend these functions and fellowship with your Companions.

Fraternally,

Dave Montgomery, GCOH

Greetings Companions:

First and foremost, I hope this communication finds everyone in good health, but for the sick and shut-ins a speedy recovery. Well, the spring season was short lived, but at this time of year we are having the summer's hot season.

The officers of the grand line are getting ready to visit other grand chapters sessions for this year 2023. It's nice to see how those chapters do the work. It is not that different from ours; we all are going on the same path for membership!!

Forward looking to the chapter which is capitular masonry. The Mark Master Mason degree is the first degree a mason is given after receiving the three degrees in the symbolic lodge. As in all degrees of freemasonry, the Mark Master degree has great theological biblical and moral importance in the life of every member of the craft!!

Greetings Companions,  
 First and foremost, I would like to wish all companions a Happy Father's Day. I hope you were able to spend time with your loved ones.

Summer has settled into the north country. The battle against biting flies, gnats and June bugs has begun. The lack of rain here has been noticeable, so make sure to thoroughly put out your campfires because the land is dry. Also, please do not transport firewood. We are in a war with oak wilt, beech blight and a myriad of other insect migrations that caused our trees with diseases, and it is becoming a real problem for our forests.

I recently attended the Nevada Grand Session. I was surprised to learn that the Nevada Grand Chapter only has 368 members in the entire state. Michigan is grateful for our 1800+ members in good standing.

Upcoming dates to add to your calendar are the following....  
 -York Rite annual picnic and golf outing on 7-15-23 in Beaverton MI.  
 -August 17-19th York Rite Grand Session at the Bay City Mi. Doubletree

In Closing, I'd like to personally wish Don Galway a speedy recovery from illness and wish everyone a happy 4th of July.

Fraternally yours,  
 Harold R Staley, Grand Royal Arch Captain

In anticipation of upcoming Independence Day celebrations, we at TSL would like to share our top 10 tips for safely handling fireworks this holiday.

1. **Always use fireworks outside and have a bucket of water/hose nearby in case of accidents.**
2. **Designate a safety perimeter.** If you have ground-based fireworks like a fountain, spectating from at least 35 feet away is best. For aerial fireworks, you'll want everyone to move back to around 150 feet.
3. **Ditch faulty fireworks.** Let duds sit for 5 -10 minutes before you put them in a bucket of water.
4. **Supervise children when they are handling sparklers.** Sparklers burn at about 2,000 degrees Fahrenheit—hot enough to melt some metals. Sparklers can quickly ignite clothing, and children have received severe burns from dropping sparklers on their feet or touching body parts.
5. **Don't forget about your pets!** Keep your pets indoors. Close the curtains or blinds and turn on the TV or radio to provide some distraction.
6. **Soak both spent and unused fireworks in water for a few hours before discarding.**
7. **Never place a part of your body directly over a firework or hold a firework in your hand when lighting.**
8. **Only light one firework at a time.**
9. **Avoid alcohol consumption when handling or using fireworks.**
10. **Consider safe alternatives to fireworks such as party poppers, bubbles, silly string, or glow sticks.**

Have a safe and wonderful 4th of July!

## Candidate for Election to Grand Chapter Office

*High Priest - Hooker Chapter No. 38*

Dear Companions,

I am on a journey with all of you. Mine began almost twenty-four years ago when I knocked, just as you once did, on the door of a lodge and it was opened unto me. It later continued in the company of two of my Companions as we three did agree and arrived at this moment where I ask you to join your support with that of Hooker Chapter No. 38 by electing me to serve as a Grand Officer of the Grand Chapter of Royal Arch Masons of Michigan.

My own Masonic journey has been one of the services to the Craft seeking opportunities to have influence in the institutions I hold dear. I want to be part of a team that enhances the value of our Chapters and Grand Chapter to provide to our members. I do not represent myself as having all the answers, but I do see myself as a committed part of the process of reaching inventive and meaningful solutions to the shared challenges all Chapters and Companions face.

I have received many blessings in my life, among them my education (in law and finance) as well as the leadership roles I have held on to the boards of several charitable and fraternal organizations. With each of those experiences I have found an opportunity to grow as well as pick up another working tool to bring to this present fight. That fight is one for our future.

As I have visited several Chapters in the last several months. I have had the opportunity to meet many of you around the altar and be reminded repeatedly how inspiring and dedicated each of you are to our future. It has also given me the opportunity to develop my own thoughts about the opportunity to serve. I want to be a part of making a difference in our Chapters and our Masonic journey. I ask for your support to embark on this phase of our journey together at the upcoming Grand Chapter Session.

I am interested in hearing your needs, ideas, and goals for Royal Arch Masonry in Michigan. Please feel free to reach out to me so we can continue this discussion. I would love to hear from you. (Picture with my Lady Hannah enjoying a little Tiki)

Greetings Companions:

My name is Scott Blanchard, and I am a candidate for the Open Chair in the Grand Chapter Royal Arch Masons line. My wish to be a Grand Officer is to be of service to the Companions who comprise the Grand Chapter Royal Arch Masons of Michigan. More personally, I want to give back a portion of what Freemasonry has given to me. Freemasonry has offered a community of men with whom I can be social and engage in good works, men I feel comfortable in the company of and supported. I have evolved as a person through my involvement.

I wish to be a part of planning for the future of Royal Arch Masonry in Michigan while working to inspire others to become active and involved. My goal is to explore best practices and work toward the retention and engagement of current members while casting a beacon that will attract new members to the York Rite. My focus while working through the line will remain on the local Chapters. Working within the Grand Chapter, to build relationships and to determine what is working well in some areas and what tactics could be employed in our Chapters to foster engagement, satisfaction, retention, and growth. We can be our strongest through collaboration, communication, harmony, and teamwork.

I am blessed to be supported by my wife of 28 years, Dawn and our two children. Dawn has been in active support of my masonic activities, and she is a member of Pontiac Chapter No. 228, Order of the Eastern Star. My son John is an officer in two symbolic Lodges and Captain of the Host in Battle Creek Chapter No. 19. My daughter Danielle is a college student studying business and veterinary technology. I could not think of undertaking this venture without their support.

In my professional life, I am a former paramedic and currently a registered nurse. I spent 10 years in manufacturing leadership as a team leader and Captain of the Emergency Response Team. I have spent the bulk of my professional career in emergency medicine. I now work as a coordinator in the Patient Safety and Quality Department of the Bronson Hospital Group.

I have been drawn to Community service-related careers and volunteer activities including serving as a firefighter in Leroy Township, Michigan and with the Boy Scouts of America. Working as a camp safety officer was fulfilling and allowed me to mentor the Scouts. Some have gone on to careers in public safety.

My Masonic history is as follows:

Symbolic Lodge raised a Master Mason on June 9, 2016, Ira A. Beck Lodge No. 503. Worshipful Master of Ira A. Beck Lodge No. 503 for 2020-2023. I am a Plural Member of Battle Creek Lodge No. 12, and currently serving as Secretary. I also belong to Sherwood Lodge No. 421 as a Plural Member. I am a member of the Battle Creek Masonic Temple Finance Corporation, 2017 to 2023. As of 2023 I am the corporations, President. District Deputy Instructor of District 37, 2023.

Royal Arch Masonry, I was exalted a Royal Arch Mason on February 25, 2017, in Battle Creek Chapter No. 19. I am currently the High Priest of Battle Creek Chapter No. 19.

Thank you for your consideration for this great honor. I would welcome the opportunity to answer any of your questions. I can be contacted via email at [blanchard1072@gmail.com](mailto:blanchard1072@gmail.com).

Fraternally,

Scott A. Blanchard, High Priest of Battle Creek Chapter No. 19

As summer is upon us Michigan DeMolay had a busy month. The State Master Councilor Eric with several Advisors including the Executive Officer, Dad Stewart, and his wife with nine other Advisors attended the Grand Master's reception in Owasso. State Master Councilor Eric presented the Grand Master with a DeMolay tie, thanked him for supporting Masonic Youth and wished him success for the coming year.

The following week Michigan DeMolay traveled to Cincinnati for the hundred and fourth DeMolay International Supreme Council session. SMC Eric together with dad Stewart 9 advisors enjoyed a week of work for the betterment of DeMolay. It was not all work as they attended a ball game at the Great American Ball Park

The Grand opening session was held at the Scottish Rite Cathedral.

The ISC Members worked through the reports and legislation for the future of DeMolay, while the young men elected a new International Congress Master Counselor and International Congress Secretary (who is from our neighbors to the north Canada.) The Supreme Council also elected several deserving individuals to receive honors and elect new members to their ranks.

Each year our representatives attend a traditional Jurisdictional dinner and this year we traveled to Kentucky where we had a great meal and Dad Stewart announced the honors that were granted. Those attending dinner included: Eric, State Master Councilor, Moms D'Aguanno and Stewart and Dads Stewart Executive Officer, D'Aguanno PGM, Wheeler, PMWGM, Myers PSMC, Toll, Shelton, PSMC, and Parker EOE; all enjoyed a great meal.

**Michigan Honors:**

While many of Michigan DeMolay were busy at the Supreme Council Dad Larry Inscho, PGM represented Michigan DeMolay at the Michigan Rainbow Grand Assembly and brought remarks on our behalf. In addition, Cam Atkinson MC of Livingston Chapter represented DeMolay at their Installation. Associate Sara B. was elected the new Rainbow youth leader and was installed as the Grand Worthy Advisor on Saturday.

**Michigan DeMolay needs your help.  
We are looking for young men between 12 and 21 and Adult  
Advisors.**

Young men when mentored by an advisor become good citizens and future leaders. These young men are also the future leaders of the Masonic Craft. Why not invest time into mentoring our future by serving as an advisor, starting a chapter, or encouraging a young man to join DeMolay (your son, grandson, nephew, or neighbor.). Do not forget Michigan has a youth organization for young ladies, Rainbow for Girls.
